Viamo Base, Headboard, Bed

VIAMO

The ideal choice for people who enjoy sleeping on hard and medium hard ground

Ideal for people who enjoy sleeping on hard and medium hard ground, viamo mattress also provides a soft touch thanks to the feather sponge used in the quilting. The perfect sleep comfort is with you with viamo mattress designed with bonnell spring spring system consisting of spiral wires mechanically connected to each other, which eliminates the possibility of collapse in areas where body weight is concentrated.

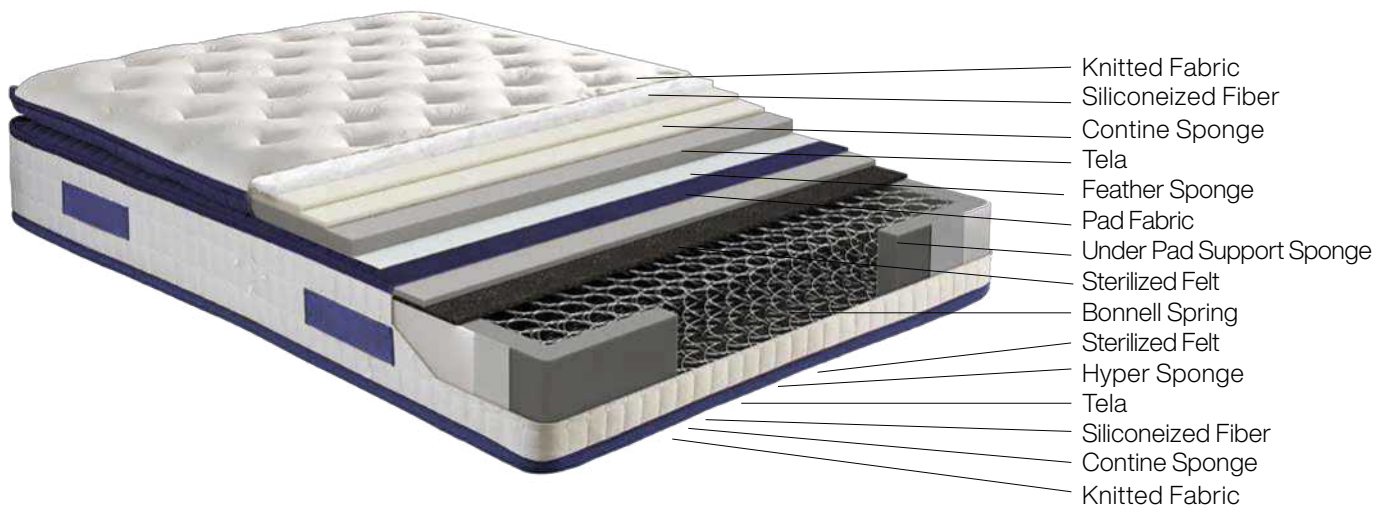

Sleep Comfort; Bonnell Spring Spring System

The special feature is that the spring coils are mechanically connected to each other by metal wires. Bonnell spring coils are connected to each other by wires in spiral form. The heat-treated bonnell spring system helps to reduce the possibility of collapse where body weight is concentrated. Ideal for people who enjoy sleeping on hard or medium hard ground.

For a Comfortable Sleep

We care about your sleep patterns. We design sleep regulating mattresses for you to have a better sleep.
